Is Reading About the Fun Just Not Enough? Come Join Us!

With our move to Red Bridge, we have room two more! Come board and train with us. Customized care, understandable dressage training for horse and rider, and a correct start for young sport horses. Interested? Contact me at equichic@comcast.net or 484-467-0879

This is it, down to the wire. BLMs are next weekend, and we have four training days left.

That's it. A whole year's plotting and planning, and it is almost over.

Being Neighborly

We've been at Red Bridge for over a year now. As anyone who has been to Red Bridge Farm knows, we are surrounded by homes. Those homes put up with our constant trailer traffic with a friendly wave.

So we decided it was our turn.

On Oct 24th, after the show, from 2-4, we are inviting the neighbors to come meet the ponies.

Our plan? Entertain them and teach them a little about what we do. We'll show them some different breeds of horses (we sure have them!), show them a few dressage moves--maybe even set to music, and show them how to feed a carrot correctly. We'll even offer the youngsters pony rides.

Even if you don't live in Red Bridge, feel free to join us. It'll be fun.
